

Welcome to BSA Summer Camp on Öland – The Island of the Sun and the Winds

Foto: Jenny Andersson Lyngsaa

When: Saturday 8 August – Saturday 15 August 2026

Where: Haga Park Camping, Mörbylånga, Öland

How: On a BSA?

Öland – Sweden's second largest island, since 1972 connected to the mainland by the Öland Bridge, the longest bridge within the Swedish kingdom. Our campsite is located about 10 km south of the bridgehead on the southern half of Öland which also is the World Heritage Site "Agricultural Landscape of Southern Öland" with Stora Alvaret and several other attractions are located. On Öland it is close to the sea and swimming. On Öland you can find Runestones, Ancient Castles, Bird Locations, Castles and Strongholds and not least Windmills. Our King and Queen have their summer castle here on the island too. Öland's southern cape is one of Sweden's most visited natural areas. There is so much to see here, you find deeper information here: www.oland.se and www.sodraoland.com

Our Haga Park campsite is large and has many different accommodation options. There are tent pitches, caravan pitches/motorhome pitches, cottages and apartments. You book your accommodation yourself on their website

www.hagapark.se from January 15, 2026 and use the **booking code BSA26**. Address to the campsite: Haga Park Camping & Stugor AB, Campingvägen 2, 386 60 Mörbylånga. Other types of accommodation such as hotels, guest-houses etc. can be found most easily via www.oland.se

It is close to everything on Öland!

You can take many different routes to Öland. Aim for Kalmar when planning. You can drive through Småland and visit the Kingdom of Glass, Sweden's center for glassmaking. You can drive via the south coast where "Sweden's Stonehenge" Ales Stenar in Kåseberga is interesting. The historic naval city and World Heritage Karlskrona are worth a visit. On the mainland side of the campsite is Kalmar (on the other side of the bridge) and here we find, among other things, Kalmar Castle and the County Museum where findings from the Royal (War) Ship Kronan are exhibited.

Last day to register is April 15, 2026.

Summer Camp Sweden 2026

At the campsite we have a large tent where the participants at the meeting can gather, get something to drink and various activities are underway or starting from.
